...Training from the dog's perspective!

Day Academy Program

Foundational Nose Work

Dogs build confidence and receive mental exercise by searching for their favorite food or toy reward hidden in a variety of environments, increasing the challenges and adding new search skills as the dog progresses.

- Intro to searching
- Intro to problem solving
- Searching with distractions

Swim (Mondays Only)

Supervised swimming builds strength, endurance, cardiovascular health and is easy on the joints of dogs.

- Intro to our dock
- Intro to our ramp
- Intro to water
- Swimming and retrieving toys

****For safety, dogs MUST be competent in each step before advancing****

Pre-Agility

Agility is a fun way to exercise your dog, build body coordination, and establish a great working relationship.

- Intro to body awareness
- Intro to movement and wobble boards
- Cavaletti work

Please list your dog's dislikes.

For example: Doesn't like to have collar touched.
